

## USHA Health, Safety & Wellbeing for Senior Leaders

### Description

This Health, Safety & Wellbeing for the Senior Leadership team session is tailored specifically for Senior Members in Higher Education Institutions. The course was designed working with the Universities Safety and Health Association specifically for senior leaders. It has been successfully delivered to a range of Higher Education Institutions including Cranfield, Loughborough and Sheffield.

### Aims & Objectives

Delegates will:

- Gain a practical understanding of the main HSW accountabilities of senior leaders
- Explore why people behave in unexpected ways
- Understand how to be actively curious about the HSW of colleagues

**Duration** 3 hours

### Modules

- Background to HSW and how your HEI delivers effective HSW management
- Your accountabilities
- Behaviours and why people do things
- Being actively curious

## USHA Health, Safety & Wellbeing for Senior Managers

### Description

This Health, Safety & Wellbeing for Senior Managers session is tailored specifically for Senior Managers in Higher Education Institutions. The course provides delegates with an opportunity to explore their role in the management of HSW and how they can contribute to ensuring the HSW is proportionately considered in their part of the HEI. The course was designed working with the Universities Safety and Health Association specifically for senior managers. It has been successfully delivered to a range of Higher Education Institutions including in London, Leeds and Glasgow to a range of HEIs.

### Aims & Objectives

Delegates will:

- Explore their role in HSW management
- What opportunities exist for improvement in HSW management
- How to plan to realise those opportunities

**Duration** 6 hours (including breaks)

### Modules

- What are your legal responsibilities?
- How to communicate effectively about risk
- Why do things go wrong and why do accidents happen?
- What drives the behaviours of colleagues?
- How can you hold better conversations about HSW with colleagues?
